

2020 AMERICAN FLAT TRACK

BUY IN PROGRAM

Dainese USA
Costa Mesa, CA

WHAT IS REQUIRED IN 2020?

In 2020, airbag technology is mandatory in the AFT SuperTwins class. AFT and Dainese encourage all AFT Production Twins and Singles riders wear an airbag suit while racing. Dainese is the official safety sponsor of American Flat Track. Through the partnership, Dainese is offering a deeply discounted price for riders to create their own custom D-air suit.

WHAT DOES THE OFFER ENTAIL?

- 50% off Custom D-air suit (custom fit, and colors)
 - Model: Pilota FT → not featured online, for AFT riders only
 - \$4,000 MSRP
 - 50% OFF! AFT Racer price: \$2,000 + **Plus one** service free upon deployment (\$250 value)
- All suits are D-air equipped

WHAT ARE THE DEADLINES?

- Deadline on suit designs is **Dec. 6, 2019**
 - Riders must visit a Dainese store to be measured in December
 - Locations: Orange County (CA), Los Angeles, Las Vegas, San Francisco, Seattle, Chicago, New York City, Orlando
 - If sponsors are not finalized by this date and additional patches must be made upon suit completion, then Dainese USA will charge cost for printing and labor to stitch patches.
 - Teams/riders may not have patches sewn themselves as this may compromise the integrity of the airbag. Dainese USA must install ALL patches.
- Secondary suit order deadline is Jan. 6, 2020. Suits ordered between Dec. 7, 2019 and Jan. 6, 2020 will be delivered by May 15, 2020.

WHAT ELSE CAN I ORDER FROM DAINESE?

If a rider purchases a custom suit, all other products will be 50% off and ordered via an online code provided by Dainese's Marketing Department.

WHAT IS DAINESE'S 2020 CONTINGENCY PROGRAM?

Dainese is offering contingency for all AFT classes in 2020.
